ARE you "fed up" with seeing the huskies walk off with the best of everything? Sick and tired of being soft, frail, skinny or flabby — only HALF ALIVE? I know just how you feel. Because I myself was once a puny 97-pound "runt." And I was so ashamed of my scrawny frame that I dreaded being seen in a swim suit.

The Secret of How I Got My Build

The Secret of How I Got My Build
Then I discovered a wonderful way
to develop my bedy fast. It worked
wonders for me — changed me from
the scrawny "runt" I was at 17, into
"The World's Most Perfectly Developed Man." And I can build up YOUR
body the very same natural way —
without weights, springs or pulleys.
Only 15 minutes a day of pleasant
practice—in the privacy of your room.
My "Dynamic-Tension" method has
already helped thousands of other fellows become feal he-men in double-

lows become real he-men in double-

quick time. Let it help YOU. Not next month or next year - but Right NOW!

### "Dynamic-Tension" **Builds Muscles FAST!**

If you're like I was, you want a powerful, muscular, well-proportioned build you can be proud of any time, anywhere. You want the "Greek-God" type of physique that women rave about at the beach — the kind that makes other fellows green with envy.

### Mail Coupen New for My 32-Page Illustrated Book

Mailing the coupon can be the turning point in your life. I'll send you a copy of my 32-page illustrated book. "How Dynamic-Tension Makes You a NEW MAN." Tells how and why my method works; shows many pictures proving what it has done for others. Don't delay. Mail coupon NOW. Charles Arlas, Best. 50N 115 E. "23rd St., New York, N.Y. 10010.

### STAN LEE'S SOAPBOX

This one's for you older Murvelites, for the True Sellevers who've been with us to these many years. Remember how we used to rap about the fact that so many people thought comis-books were just for kids? And remember how 1'd clue you in to Marvel's greatest equade - to your Builpen's you to change that image - to give the comic-book its rightful place within the media - to have it fully accepted as one of the most powerful, must visble forms of communication the world has ever known? Remember how we'd pledge never to rest till the intellectual community bestowed upon the comiobook all the attention and the recognition it has so rightfully comed?

Well, I guess you know what I'm leading up to. We may not yet be all the way home, but we're mighty close. Never before have so many newspapermen, disc fockeys, college students, musicians, sports figures, and other assorted full-grown adult types been so fanatically tuned-in to the wondrous world of Marvell Never before have we received such massive mountains of mail from so many compuses throughout the free world! In fact, within the past few months alone, yours truly just finished a whirlwind collage lecture tour, speaking at lowa State, Bennington College, Allegheny, Montane State, the University of Deleware, and Northwestern U., just to name a few. Never have I seen more enthus asm, more excitement, or more abullient interest - interest in the stories, the illustrations, the conception - everything in fact that has to do with the production and the philosophy of your friendly neighborhood Marvel mags!

So, on behalf of your breathless, blushin' Bullpen, let me thank each and every one of you for helping us make a dream come true. Yes verify, you and we together have transformed yesterday's feckless little "funny books" into one of today's most widely-hailed art forms — and Marvel Joves ye for it!
